Unique variety on a total of over 1,300 kilometres of bike routes.

Zillertal's magnificent natural scenery awakens the biker in every nature lover. Whether you are planning a high alpine bike tour in the Zillertal and Tux Alps or enjoying a leisurely circuit on the sunny valley floor, Zillertal delights with a total of 1,300 kilometres of bike routes in various levels of difficulty and with 2,773 metres of biking pleasure on single trails. The great variety makes it a sought-after destination for ambitious bikers and families alike. Seven summer cable cars offer convenient bike transport, opening up the possibility of stunning panoramic tours. The best way to get up high is with the Zillertal Activcard: it includes one trip up and down every day.

The card for holiday happiness

The Zillertal Activcard is the key to extraordinary experiences. Available from the 27th of May till the 29th of October it is the ideal holiday companion for everyone who wants to enjoy and experience the summer in Zillertal with all senses. It opens the door to an impressive mountain world, allows you to discover countless extraordinary attractions and guarantees almost unlimited mobility with cable cars and public transport. 7 cable cars offer comfortable bike transportation. Families can look forward not only to adventures abounding in nature, but also to great discounts.

Zillertal Cycle Path: biking with kids

Zillertal offers families with children an outstanding variety of leisurely cycle paths and easy routes on over 100 kilometres in total. One special highlight is the Zillertal Cycle Trail: this idyllic route on the wide and sunny valley floor always leads along the River Ziller and entices you with numerous leisure opportunities, such as adventure parks, playgrounds and outdoor swimming pools for the perfect stopover. And anyone who wants to shorten the tour can do so conveniently with the Zillertalbahn. You can board the train comfortably by bike at all stations between Strass and Mayrhofen.

Bike-rental and guided tours

Be it a mountain bike, road bike, city bike, e-bike or children's bike – at bike hire stations all over Zillertal a wide range awaits you from which you can choose just the right equipment for any tour. Anyone who doesn't want to explore Zillertal on their own but together with an experienced guide can choose from a number of guided tours.

Bike transport – travel in comfort

When mountain biking in Zillertal you do not have to just rely on your muscle power. Seven cable cars also transport bikes up to lofty heights and take you effortlessly to the most beautiful starting points for magnificent panoramic tours. At most bottom stations there are not even any stairs so bikers can ride over convenient access ramps.

E-biking & charging stations

With an E-bike you can enjoy Zillertal from the saddle without breaking into a sweat. Battery charging stations from the valley floor up into the mountains provide you with a seamless service network so that you can enjoy your next bike tour without any worries.

All routes can be called up online on our tour portal. The course of the route is shown on a map and all information such as degree of difficulty, duration, route length, elevation profile and photos are available. There you can also download the GPX data for each tour.

Staying among friends

The right equipment is of course essential for a relaxed biking holiday in Zillertal. Numerous sports shops offer the perfect bike for hire. The offer is rounded off by guided tours with qualified and experienced bike guides, guaranteeing biking fun packed with action and enjoyment. The quality-tested bike & mountain bike accommodation establishments in Zillertal make a biking holiday really perfect. They not only offer breakfast for athletes, lockable bike storage rooms insured against theft, washing areas, bike repair packages, but also Zillertal cordiality and hospitality that is just like Zillertal's nature: authentic, unforgettable and unique. In Zillertal you are simply staying among friends.

About Zillertal

Valley of peaks over three thousand metres, eternal ice, culinary highlights and music. Perfectly groomed slopes, fantastic cross-country skiing trails and toboggan runs in winter, hundreds of kilometres of hiking and biking trails as well as refreshing outdoor pools and idyllic mountain lakes with crystal-clear water in summer – surrounded by unique mountain panoramas: you only experience it here. Zillertal stretches out along the Ziller for 47 km from the Hochfeiler, the highest mountain in Zillertal at 3,509 metres. You can experience the famous Zillertal hospitality from the more than 35,000 inhabitants for yourself in Zillertal's 25 municipalities. Well-being, regionality and indulgence are top priorities in summer and winter. Whether it's unique mountain experiences or simply enjoying nature, there are as many possibilities in the most active and musical valley in the world as there are needles in the pine forest. In addition, there is maximum indulgence: from regional culinary delights, genuine Zillertal home cooking and exquisite gourmet menus. Welcome to Zillertal – you only feel it here.
